

# The Central Ohio Transit Authority (COTA)

## ***KEEPS OUR ECONOMY MOVING***

### **We Need to Connect People and Jobs**

The Central Ohio Transit Authority (COTA) supports the regions economy and provides vital transportation services for workers. Issue 7 will expand services and routes, helping to meet the transportation needs of suburban and third shift workers.

### **COTA is Environmentally Friendly**

COTA buses run on environmentally friendly bio-diesel fuel blend, reducing greenhouse gases and improving air quality. COTA also reduces air pollution by lowering the number of cars on the road.

### **COTA Supports Persons With Disabilities**

COTA provides essential transportation for persons with disabilities. Issue 7 will help to address the growing mobility needs for persons with disabilities.

### **Issue 7 Will Expand Bus Service**

Issue 7 will help to relieve overcrowding on existing bus routes and provide more frequent service to our community's busiest areas.
